# Stoppino Close

## Magnetni sistem za zatvaranje vrata

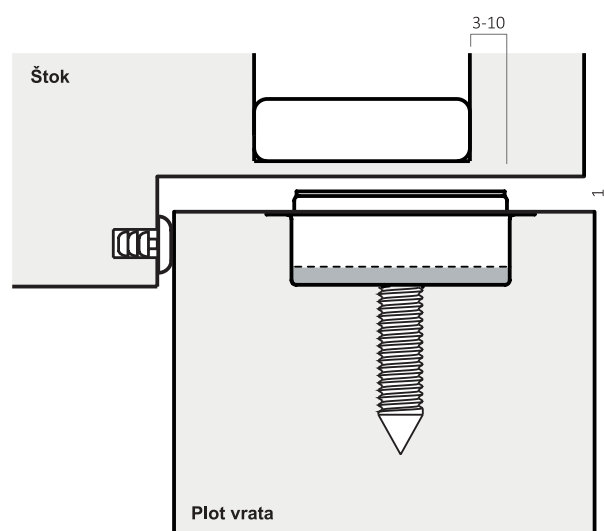

Stoppino Close sistem je rešenje čija je svrha da zameni primenu kvake i brave na sobnim vratima i samim tim poveća minimalistički utisak pri izradi vrata. Svi Stoppino mehanizmi u sebi sadrže neodimijumske magnete koji pružaju pouzdan i dugovečno funkcionisanje Stoppino mehanizama.
